

RESPONDING TO A SUBJECT ACCESS REQUEST

WHAT TO DO

Inform the Data Protection Officer

Always inform the DPO as soon as possible about any request to receive advice and support

Log the request on the DPE Knowledge Bank

Plan the collection and redaction of the data requested - it might take longer than you think

Has all redaction been completed? Please see our Redaction guidelines on the Knowledge Bank for further information

Use the DPE SAR response letter template when you respond with the data pack

Sending by email or by post?

Email

*Have you confirmed you have the correct email address for them?
Does this match what you hold for them?*

Send a test email first to ensure it is the correct email and recipient

Request an acknowledgement email

Post

Have you confirmed their address? Does this match what you hold for them?

Consider hand delivery

Send as special delivery to ensure security during transit

Ensure you retain a copy of the redacted and unredacted information that has been provided to the data subject
