

The Compliance Manager Report

Created on Mar 14, 2023 by Tammy Buchanan

The Compliance Manager report shows staff which staff have read/understood any documents assigned in Compliance Manager. It then allows an administrator to assign To Do's to those staff that need to complete the task.

1 Login to the Knowledge Bank Dashboard

Scroll down to the Reports widget.

Users		Reports	To-do Mana	
18	Staff	Select Report ▼	142	Total To-
14	Admin		26	Comple
5	Trustee		111	Overdue

2 Choose the Report

Click on the Reports widget dropdown and choose 'Compliance Manager Report' from the list.

The screenshot shows a web interface with three main sections: a left sidebar, a central 'Reports' widget, and a right 'To-do Manager' widget. The 'Reports' widget has a dropdown menu open, listing several report options. The 'Compliance Manager Report' is highlighted with a red box. The 'To-do Manager' widget displays a table with two columns: a numerical count and a status label.

To-do Manager	
142	Total To-dos
26	Complete
111	Overdue

Reports dropdown menu items:

- Select Report
- Select Report
- Single Course
- SLA Activity
- SLA Timelog
- Course Assignment and Progress
- Student Course Report
- Compliance Manager Report**

3 Set up the report

Either select the document name of the document/policy to run the report against for the organisation in the Document Name dropdown or start typing the document/policy name. For example, 'Clean Desk Policy'.

Choose the individual school if you are part of a trust from the organisation list. If no other options are chosen, the default is to show all staff that the document was assigned to with the status.

The options for both Read & Understood and Used in Practice are either Yes or No, choose the combination for the type of report to be created.

The screenshot shows the 'Manager Reports' section of the Data Protection Education platform. The 'Compliance Manager Report' is being configured. A dropdown menu for 'Document Name' is open, showing 'Clean Desk Policy'. Two arrows point to the 'Select Read & Understood' and 'Select Used In Practice' dropdowns, with the text 'Choose Yes or No' above them. A table below shows the results for the selected document and organization.

4 Hide and Show Columns

It is possible to hide/show columns for the report.

The screenshot displays the 'Manager Reports' section of the Data Protection Education application. The main heading is 'Compliance Manager Report'. Below this, there are several filters and controls: 'Compliance Manager Rep...' (dropdown), 'Select Query' (dropdown), 'Want to save this?' (button), 'Hide and show columns' (button), and 'Add Todo' (button). A 'CSV Export' link is also present. The table below shows a list of 'Clear Desk Policy' items for 'AAA DPE Demo School'. The table has columns for 'Document', 'Organization', 'Name', 'Email', 'Read and Understood', and 'Used In Practice'. A red box highlights the 'Hide and show columns' menu, which is open, showing a list of columns with checkboxes: 'Document' (checked), 'Organization' (checked), 'Name' (checked), 'Email' (checked), 'Read and Understood' (checked), and 'Used In Practice' (checked). The table data includes three rows of 'clear desk policy' items, each with a unique ID, the school name, a trustee name, and an email address. The 'Read and Understood' and 'Used In Practice' columns show 'Yes' or 'No' values.

5 Save the Report

To save the report to run again in the future, click on the blue 'Want to save this?' button. Give the query a name and then click on the 'Save Query' blue button. The query will then be selectable from the 'Select Query' dropdown.

The screenshot shows the 'Manager Reports' section of the Data Protection Education application. The 'Compliance Manager Report' is displayed, with a blue arrow pointing to the 'Save Query' button. The 'Query Name' field is set to 'CleanDeskPolicy'. The 'Save Query' button is highlighted with a red box. The 'Select Query' dropdown is set to 'Clean Desk Policy'. The 'Add Todo' button is also visible. The table below shows the results of the query, with columns for Document, Organization, Name, Email, Read and Understood, and Used In Practice.

6 Remind Staff they have not read the document

If there are staff that have not read & understood the document within the permitted time frame, it is possible to send them a reminder. Select which staff members need to receive the reminder by clicking the checkbox next to their name(s).

Click on the 'Add Todo' blue button.

The 'Add To-do' pop up will appear. Complete the To-do title and any description/note and then details of when the task is due. It is also possible to email a reminder to the staff member(s) before the due for a set number of days before it is due.

7 Todo EMail Received

The member(s) of staff will receive an email with a link to the document with details of the due date. Any title will appear in the subject line of the email and the description will appear in the body of the email.

8 CSV Export

The CSV export option is available which will list the document name, organisation, name, email, read and understood and used in practice. Click on the CSV Export blue text and save the file to a location when prompted.

A green '100% Download Complete' message will display when the file has been saved.

The screenshot shows the 'Compliance Manager Report' interface. At the top, there is a header with the 'DATA PROTECTION EDUCATION' logo and navigation links: DASHBOARD, BEST PRACTICE, MY ACTIVITIES, NEWS, and SUPPORT. Below the header, the page title 'Manager Reports' is displayed, followed by the breadcrumb 'You are here: Home / Manager Reports'.

The main content area is titled 'Compliance Manager Report'. A green banner at the top of this section indicates '100% Download Complete.' Below this, there are several filters and controls:

- A dropdown menu for 'Compliance Manager Rep...' with a value of '20'.
- A 'Select Query' dropdown menu.
- Buttons: 'Want to save this?', 'Hide and show columns', and 'Add Todo'.
- A 'CSV Export' button, which is highlighted with a red box.
- Filters: 'Clean Desk Policy', 'AAA DPE Demo School', 'Select Read & Understood', and 'Select Used In Practice'.

Below the filters, there is a checkbox labeled 'Check the box to assign todo to all users as per selected filters'. A table is displayed with the following columns: Document, Organization, Name, Email, Read and Understood, and Used In Practice. The table contains three rows of data:

Document	Organization	Name	Email	Read and Understood	Used In Practice
☐ clear desk policy	AAA DPE Demo School	[redacted]	[redacted]	Yes	Yes
☐ clear desk policy	AAA DPE Demo School	[redacted]	[redacted]	Yes	No
☐ clear desk policy	AAA DPE Demo School	[redacted]	[redacted]	No	No

On the right side of the interface, there is a sidebar with a red circle containing the number '1' and icons for a list, a document, and a search function.
